## COMO SE DIBUJA

### UNA SEÑORA

La cara, de Doña Sara.  
Se dibuja un redondel,  
-con lapicero o pincel-;  
mucho pelo, mucho moño,  
ojos, cejas, y un retoño;  
nariz chata  
de alpargata,  
las orejas,  
como almejas,  
los pendientes,  
-relucientes-,  
las pestañas,  
como arañas,  
boca de pitiminí,  
es así,  
la cara de Doña Sara.

El cuerpo otro redondel,  
tan grande como un tonel,  
y en él se dibuja ahora,  
la falda de la señora,  
falda, blusa, delantal,  
pierna flaca, otra normal,  
los zapatos de tacón,  
con hebilla y con pompón.

¡Qué señora tan señora,  
Doña Sara, servidora!

Gloria Fuertes

### UN SEÑOR

Se dibuja un redondel,  
Y ya está la cabeza de Don Miguel.  
¡Ya tenemos la cabeza!  
Ahora las orejas,  
Después las dos cejas,  
Ojos redondones,  
Boca, sonriente  
(con un diente),  
nariz prominente,  
bigote imponente,  
-mucho bigote-  
y un lacito en el cogote.  
Para el pelo, rayas tiasas...  
¡ya tenemos la cabeza!

Ahora el cuerpo,  
La chaqueta, Los botones,  
La cadena, La corbata,  
Una manga, otra manga,  
Una mano, otra mano.  
Una pernera, otra pernera,  
Una bota, otra bota,  
Un pie, otro pie.  
El juego del dibujo  
¡Atención niños, atención!  
¡Qué bonito es!  
¡Que le falta un detalle,  
el corazón!

Gloria Fuertes
